A Publication of Trinity Episcopal School

Spring 2009

WE WANT YOU...

Not quite sure what to do with your summer? We are looking for summer interns to help in our Advancement Office. We are in the process of archiving the first 10 years of Trinity memorabilia and would love for any interested alumni to help. For more information about this internship opportunity, please contact [Jessica Masanotti](#).

We could also use the help of older students who know "the Trinity Way" and are willing to give their time to younger students who need some extra attention and summer enrichment. Hours are flexible but since a child will depend on you-reliability, maturity and consistency are key. Contact [Sandra Ellis](#), at the front desk to request an application for a Wildcat Pride Volunteer Intern position.

If you do not have plans yet for the summer, please check out this [list of internships and summer programs](#). Let us help connect you with a summer opportunity. Email or call [Derrick Gates](#) at 704. 358. 8101, ext. 249.

FACEBOOK PAGE CHANGES

Facebook recently changed its policy on organization profiles. We now have a [Facebook page](#) as opposed to a personal profile. Please add us as your friend so that we can keep you up to date with alumni events, news and more! In addition to our Trinity page, we have a group setup specifically for TES alums. If you haven't already, join the [TES Alumni group](#). Happy Facebooking!

ALUMNI HOLIDAY REUNION PARTY RECAP

Thank you to all the TES alums that came to the first official Trinity Alumni Reunion hosted by Sally and Bob Miller. With more than 80 in attendance, we had a great time catching up with Trinity alumni, faculty and parents. You can see [more pictures](#) from the party on our Facebook page. Stay tuned for more information regarding our next alumni get together later this year.
